Dear Missy, your partial note at
last reached me here. I'm glad
you passed your swimming test.
I do wish you would try to im-
prove your spelling.

This is in the chapel on the cam-
pus right across the street and I
think it is the most beautiful
small church I have ever seen
in this country. Give all the
Gibsons my love, tell for I have
his letter. Is a good gal. love
Mummy.
